# E PRATHYUSH KUMAR

Mangaluru, Karnataka, India | prathyush123kumar@gmail.com

GitHub: github.com/prathyush123kumar-lgtm | LinkedIn: linkedin.com/in/e-prathyush-kumar

## SUMMARY

Second-year B.Tech Information Science and Engineering student at St. Aloysius (Deemed to be University), Mangaluru. Building practical web projects with Python, Flask, HTML and CSS while developing skills in C, Java, Git/GitHub and Linux. Interested in hackathons and collaborative software projects.

## PROJECTS

**Document Conversion Web App (In Progress) | Python, Flask**

- Developing a web app for common document tasks, including Word-to-PDF, PDF-to-Word and file compression.
- Building a Flask backend for a straightforward upload-and-convert workflow.

**Personal Resume Website | HTML, CSS, JavaScript**

- Built a personal portfolio to present education, skills, projects and contact information.
- Maintain the project on GitHub while practising version control.

**Lectures Website (Planned / Future Scope)**

- Planned concept for a central place to organize lecture notes and course resources so students can find study materials more easily.

## TECHNICAL SKILLS

| | |
|---|---|
| **Programming** | Python, C, Java |
| **Web & Backend** | HTML, CSS, Flask (basic) |
| **Tools** | Git and GitHub (basic), Windows PowerShell (basic) |
| **Systems** | Ubuntu Linux in VirtualBox (basic terminal commands) |

## CURRENTLY LEARNING

Linux command line, the Git workflow (commit, branch, push and pull), and Flask backend development.

## EDUCATION

**B.Tech in Information Science and Engineering**

St. Aloysius (Deemed to be University), Mangaluru | 2nd Year, 3rd Semester

## LANGUAGES

English, Hindi, Kannada, Malayalam

## HACKATHON INTEREST

Interested in web and software development, including contributing to front-end work or Python backend tasks as part of a team.
